

GERARD, SAINT OF HOLY MEEKNESS

Tune: BLAENWERN

1. GERARD, SAINT OF HOLY MEEKNESS,
bearing trials and suff'rings sweet,
pray for us in all our weakness,
foll'wing thine example meet;
*Let the will of God be done,
just as God in mercy wills!
Pray for us, O saintly patron,
guard us here from all our ills.*
2. Guardian of the child and mother,
guard them in the pangs of birth,
Helper of our poorest brothers,
help us see their holy worth.
Let the will of God be done... &c.
3. Brother of our Blest Redeemer,
Seeking Him in work and prayer,
Youthful yet so full of wisdom,
Teach us all our Cross to bear,
Let the will of God be done... &c.
4. Let us walk thy path most lowly,
Let Faith be our life and light,
Teach us to be pure and Holy,
We are blind, yet give us sight.
Let the will of God be done... &c.
5. Glory be to God the Father,
Praise be to His Holy Son,
Glory to the Holy Spirit,
Holy God, the Three in One,
*Let us burn with Holy Passion,
Like Saint Gerard whom we Laud,
Help us as we strive for Sainthood,
Raise us up with Him, O Lord.*
